CROWNING EVENT OF CELEBRATION

MARDI GRAS AND COSTUME BALL

COUNT DEWAR AND HIS COMMITTEE HAVE THEIR PLANS PERFECTED

The object of the Fourth of July celebration is to commemorate the winning of this nation's independence. After this has been done by appropriate ceremonies, the people naturally give themselves over for a time to a spirit of carnival and fun. And to assist in promoting that spirit and to furnish a means of enjoying it are the aims and purposes of the mardis gras and ball committee, which promises that it will be the event of this year's celebration, surpassing in appointments and extent, anything ever before attempted in this city.

The program, in brief, will consist of a parade of unusual interest and beauty, taking place at 5 o'clock on the evening of the 5th, followed by a concert by the Tonopah Military band at the intersection of Main street and Brougher avenue, under a specially constructed canopy of beautiful electrical effects installed for this event, and concluding with a grand costume ball at the Airdome.

The parade, headed by the band, will consist of two beautifully illuminated floats prepared by the committees on decoration and illumination—novel and interesting they promise to be—such other floats as may be prepared by fraternal societies or individuals, together with all persons in costume and illuminated and decorated automobiles with their noise factories running three shifts.

The band concert will be a musical treat, consisting of patriotic, classical and popular numbers, in the preparation of which special time and effort are being spent.

The costume ball, the crowning effort of the committee, is to take place at the Airdome immediately after the band concert, and is to last until 2 a. m. A special orchestra of nine pieces will furnish the music, and the event is to be free to all who appear in costume. The best efforts of the decorating and illuminating committees will be spent in transforming the Airdome into a veritable bower of light and beauty, which, taken with the gorgeous costumes that will be in evidence, will probably furnish the most beautiful spectacle ever seen in Tonopah. Costumes for this event will be procured and handled by the committee at nominal prices, just enough to cover the expense of handling. They will be available on and after the 2nd at a place to be named later. Liberal prizes will be awarded by the committee in accordance with decisions given by a committee of judges which will be selected from the audience during the evening.

BLUES ARE WINNERS OF CHURCH CONTEST

DEFEATED SIDE WILL PROVIDE ENTERTAINMENT FOR VICTORS

The blue and red contest at the Presbyterian Sunday school is ended and the blues are winners by six points. Now the reds are to provide an entertainment for the blues. Yesterday the children's day exercises took the place of the morning service. The church was well filled and the hour passed pleasantly listening to the songs and recitations by the little folk. An offering for Sunday school mission work was taken, amounting to \$15. The average Sunday school attendance is about 125, besides the home department, numbering ninety or more, and the cradle roll with quite a number enrolled.

The subject for the evening sermon was the conflict between man and the spirit of evil. Scripture was brought up to prove that man will eventually be victorious over the evil spirit by the help of the great Redeemer. There was some excellent music both morning and evening.

ANNIVERSARY OF ASSASSINATIONS

(Continued from Page 1)

Except for communication through Holland and the Scandinavian nations Germany is cut off from the rest of the world.

Efforts on the part of the Germans to place the British Isles in a similar predicament has resulted in the sinking by submarines of hundreds of vessels flying the flags of the allied and neutral nations.

The sinking in this manner of the Cunard liner Lusitania with the loss of more than one hundred American lives precipitated a request upon the part of the United States that such practices insofar as they might menace Americans, be stopped.

Prinzips' crime was committed on June 28. An investigation disclosed what was alleged to be proof that the assassin was the tool of a group of fanatics. On July 23, after considerable correspondence and negotiations, an ultimatum was sent to Serbia by which Serbia declined to meet. A week later a general mobilization of Russian troops along the German border was ordered and the following day Germany declared war on Russia. The news of that event was followed in a few hours by the announcement that a general mobilization had been ordered by the French cabinet.

On August 2 German troops entered Luxembourg and Germany demanded free passage through Belgium to the French frontier. This was refused and two days later Great Britain dispatched to Germany an ultimatum demanding that the neutrality of Belgium be maintained. The ultimatum was rejected. German forces attacked Liege. On the same day President Wilson issued a proclamation of neutrality.

The following day saw the declaration by Great Britain of a state of war with Germany, and two days later the Germans entered Liege as the French invaded southern Alsace.

These events were quickly followed by an affirmation on the part of Italy of her neutrality, by an Austrian invasion of Serbia and by the sending by Japan of an ultimatum to Germany. This had to do with the German possession of Kiao-Chow, of which Tsingtau was the port. Later developments in the world war are of too recent occurrence to merit recapitulation.

MONAHAN FAMILY TO LIVE IN TONOPAH

Preparatory to their joining Mr. Monahan in Tonopah, where he is connected with the Tonopah Banking corporation, and where the family is expected to make its future home, the remaining members of the Monahan family will on Monday depart from this city, much to the regret of their very large circle of friends, says the Carson News.

Miss Rose Monahan and the two boys, Carl and Ogden, will leave for Oakland, where they will visit for some time, awaiting the arrival there of Mrs. Monahan, who after a short visit to Fallon will proceed to Truckee and then to Oakland, from whence all will journey to Tonopah and join Ed.

The entire family leave Carson City to the regret of all who knew them, for to know them was to appreciate them each and every one as a sterling friend. The News wishes them all that is good in this world and what Carson loses is surely a gain which Tonopah will not be long in recognizing.

BUTLER THEATER

"Cora," one of the latest and best releases of the Metro Pictures corporation, will be shown at the Butler tonight. Here is a drama of heart throbs starting in the tenements, rising to the heights of unbounded affluence through the medium of a wonderful voice possessed by the heroine, Cora, and culminating in her betrothal to a famous artist for whom she once posed. The various episodes in a life beset with obstacles at the start are unfolded interestingly and scene after scene serves to increase the beholder's interest, because Cora's life is unusual. Emily Stevens, niece of Mrs. Fiske, is an actress of marked emotional and dramatic worth, whose endeavors on the dramatic stage won for her the position of stardom in the sensational play. Gifted with rare dramatic talent, charm of personality, sweetness and sentiment and the power of projecting through action and facial expression the heart throbs, the joys, disappointments, love and dramatic moments of the life of conflict that confronts Cora, make Miss Stevens' interpretation a realization in the fullest sense of the best acting seen in many a day on the screen. Together with the five-reel feature will be seen the Pathe Weekly of current events.—Adv.

AIRDOME

"The Quest," a five-reel Mutual masterpiece which was to have been shown at the Airdome tonight, failed to arrive and in its place the following five-reel program will be shown: "The Artist's Model," a two-reel modern drama of society life; "The Riddle of the Wooden Leg," another drama in two reels, and "The Deadly Focus," a single reeler. Tomorrow and Wednesday that famous old fairy tale, "Rip Van Winkle," in five reels. On Thursday, Thomas Nelson Page's movie interpretation of the famous play, "The Outcast," in four reels. Saturday the world's most beautiful woman, Lina Cavalieri, in the seven-reel feature, "Marion Lescant."—Adv.

PASTIME THEATER

Owing to the non-arrival of films, the house will be "dark" tonight. Tomorrow the fifth of the "Who Pays" series of dramas, entitled "Unto Herself Alone," will be shown, featuring the well-known screen artists, Ruth Roland and Henry King, also a three-part special feature.—Adv.

STRAY ELKS OF ELY CHARTER FOR THEIR CITY

The Stray Elks of Ely, Nevada, will make an attempt to have the grand lodge of Elks, which convenes in Los Angeles next month grant a charter to Ely. They will submit a plan to have the laws of the order amended to provide for zones in the states of Nevada, Arizona, New Mexico and Idaho, instead of limiting the granting of charters to cities of 5000 inhabitants in those states. The Elks have appointed a committee to go to Los Angeles and are distributing booklets to all delegates to the coming convention in that city, showing the advantages possessed by Ely as a city of reasonably permanent existence and praying that Ely be allowed to pasture the large herd of Elks that has been roaming at large in that community.
